**FOURTH AMENDED CLASS
ACTION COMPLAINT FOR
DAMAGES AND INJUNCTIVE
RELIEF**

**1) INVASION OF PRIVACY
2) NEGLIGENCE**

DEMAND FOR JURY TRIAL

Plaintiff Kambiz Batmanghelich ("BATMANGHELICH" or "Plaintiff"), an individual, on behalf of himself and on behalf of all others similarly situated, hereby alleges as follows:

INTRODUCTION

1
2 1. This case was removed from the Superior Court of Los Angeles
3 County.

4 2. The Superior Court had jurisdiction over the claims alleged herein
5 pursuant to *California Penal Code* § 630 *et. seq.*

6 3. By this amended complaint, BATMANGHELICH substitutes as a
7 defendant Stream International Inc. for the fictitiously named defendant DOE 1.

8 4. Defendant Sirius XM Radio, Inc. ("SIRIUS") provides its customers
9 with satellite radio service. Plaintiff is informed and believes, and based thereon
10 alleges, that Defendant Stream International Inc. ("STREAM") is a call center
11 operations company which is and was contracted by SIRIUS to perform inbound
12 and outbound call center operations on behalf of SIRIUS. Unless otherwise noted,
13 SIRIUS, STREAM, and Does 3 through 50, inclusive, are hereinafter collectively
14 referred to as "Defendants."

15 5. Without informing customers or obtaining their consent and
16 permission to do so, Defendants engaged in a practice of monitoring, recording,
17 and/or conveying personal identifying information obtained during phone
18 conversations with SIRIUS' customers, including BATMANGHELICH.

19 6. During the course of his conversations with Defendants,
20 BATMANGHELICH disclosed sensitive personal identifying information and
21 confidential financial information.

22 7. Defendants' practice of monitoring, recording and/or eavesdropping on
23 consumers' telephone conversations with their employees violated *California Penal*
24 *Code* § 630 *et seq.*

25 8. Plaintiff is a member of a class whose telephone conversations with
26 certain employees of Defendants were, without the knowledge or consent of the
27 Plaintiff and class members, eavesdropped upon, bugged, wiretapped, and/or

1 recorded by one or more of the Defendants.

2 9. Plaintiff brings this action as a class action seeking all appropriate
3 damages and remedies available to him and members of the class proposed herein.

4 10. All allegations in this complaint are based upon information and belief
5 except for those allegations which pertain to BATMANGHELICH and his counsel.
6 BATMANGHELICH's information and belief is based upon, *inter alia*, an
7 investigation conducted to date by BATMANGHELICH and his counsel.

8 **THE PARTIES**

9 11. Plaintiff BATMANGHELICH is an individual and a resident of the
10 County of Los Angeles, State of California. BATMANGHELICH had telephonic
11 communications with certain employees, officers, and/or directors of SIRIUS
12 and/or STREAM. BATMANGHELICH is informed and believes, and based
13 thereon alleges, that each of these conversations referenced herein was, without
14 BATMANGHELICH's knowledge or consent, bugged, recorded, wiretapped,
15 and/or eavesdropped upon by Defendants, and each of them, all to
16 BATMANGHELICH's harm and damage.

17 12. BATMANGHELICH is informed and believes, and based thereon
18 alleges, that SIRIUS is a corporation organized under the laws of Delaware, legally
19 operating and authorized to so legally operate and conduct business under the laws
20 of the State of Delaware.

21 13. Plaintiff is informed, believes, and thereupon alleges that Defendant
22 SIRIUS has its principal place of business in New York.

23 14. BATMANGHELICH is informed and believes, and based thereon
24 alleges, that STREAM is a corporation organized under the laws of Delaware,
25 legally operating and authorized to so legally operate and conduct business under
26 the laws of the State of Delaware.

27 15. Plaintiff is informed, believes, and thereupon alleges that Defendant

1 STREAM has its principal place of business in Massachusetts.

2 16. Plaintiff is informed and believes, and based thereon alleges, that the
3 wrongful acts alleged herein by SIRIUS and STREAM were performed or occurred
4 in the County of Los Angeles, State of California.

5 17. BATMANGHELICH is further informed and believes, and based
6 thereon alleges, that additional calls have been bugged, recorded, wiretapped,
7 and/or eavesdropped upon by Defendants, and each of them, without
8 BATMANGHELICH's and proposed class members' consent, originating from
9 various locations within the State of California.

10 18. The true names and/or capacities, whether individual, corporate,
11 associate or otherwise, of Defendants DOES 3 through 50 inclusive, and each them,
12 are unknown to BATMANGHELICH, who therefore sues said Defendants by such
13 fictitious names. BATMANGHELICH is informed and believes, and upon such
14 information and belief hereby alleges, that each of the Defendants fictitiously
15 named herein as a DOE is legally responsible, negligently or in some other manner,
16 for the events and happenings hereinafter referred to and proximately caused the
17 damages to Plaintiff and proposed class members as hereinafter alleged.
18 BATMANGHELICH will seek leave of Court to amend this Complaint to insert the
19 true names and/or capacities of such fictitiously named Defendants when the same
20 have been ascertained.

21 19. Plaintiff is informed, believes, and thereupon alleges, that at all times
22 mentioned herein, Defendants, and each of them, including DOES 3 through 50,
23 inclusive, were the agents, servant, employees, and/or joint venturers of their Co-
24 Defendants, and were, as such, acting within the course, scope, and authority of said
25 agency, employment and/or venture, and with the knowledge, consent, permission,
26 and/or ratification of each other, and that each Defendant, as aforesaid, when acting
27 as alleged herein, acted in concert to commit the acts complained of herein and to

1 engage in a course of conduct in the business practices complained of herein.

2 **ALLEGATIONS COMMON TO ALL CAUSES OF ACTION**

3 20. BATMANGHELICH is informed and believes, and based thereon
4 alleges, that at all times pertinent herein, Defendants maintained call centers located
5 throughout the United States, and throughout the world, which SIRIUS' consumers
6 were prompted to telephone to activate, terminate, modify, inquire about, or
7 otherwise assess their satellite radio service provided by SIRIUS.

8 21. Defendants' employees at these call centers received incoming calls
9 from consumers and placed outgoing calls to consumers who resided in California.

10 22. BATMANGHELICH is informed and believes, and based thereon
11 alleges, that Defendants had a policy and practice of recording and/or monitoring
12 these telephone conversations with California consumers.

13 23. BATMANGHELICH is informed and believes, and based thereon
14 alleges, that Defendants' employees at these call center were directed, trained and
15 instructed to, and did, record, monitor and/or eavesdrop upon these telephone
16 conversations with California consumers.

17 24. Defendants installed and/or caused to be installed certain wiretapping,
18 eavesdropping and bugging equipment in Defendants' telephone lines.
19 BATMANGHELICH is informed and believes, and based thereon alleges, that all
20 these devices were maintained and utilized to overhear, record and bug each and
21 every telephone conversation on said telephone lines.

22 25. BATMANGHELICH is informed and believes, and based thereon
23 alleges, that these calls were recorded, monitored and/or eavesdropped upon
24 without knowledge or consent of consumers.

25 26. BATMANGHELICH was never informed that his calls to Defendants
26 were being recorded and/or monitored.

27 27. During the course of these telephone conversations with employees of
28

1 Defendants, BATMANGHELICH revealed sensitive, private, and confidential
2 information, including personal and financial information. Plaintiff did so with a
3 reasonable expectation of privacy in those telephone conversations.

4 28. The wiretapping, bugging, and eavesdropping equipment mentioned
5 herein was used to listen to the telephone conversations of the Plaintiff and
6 proposed class members; this violated *California Penal Code* §§ 630 *et seq.*

7 29. On or about October 1, 2009, Plaintiff BATMANGHELICH placed a
8 telephone call to SIRIUS from the State of California to establish satellite radio
9 service. During that call, BATMANGHELICH spoke to an employee of SIRIUS
10 and/or STREAM, and in doing so he disclosed personal identifying and financial
11 information.

12 30. At no time during that conversation was BATMANGHELICH
13 informed by SIRIUS or STREAM, or by anyone, that his telephone call was being
14 eavesdropped upon, wiretapped, recorded and/or monitored. At no time did
15 BATMANGHELICH give consent for the telephone call to be eavesdropped upon,
16 wiretapped, recorded and/or monitored.

17 31. BATMANGHELICH had a reasonable expectation that the telephone
18 conversation was, and would remain, private and confidential, and he did not expect
19 that his telephone communications with Defendants were being overheard or
20 recorded by anyone else. Such recording and/or monitoring was and is highly
21 offensive to BATMANGHELICH and would be highly offensive to a reasonable
22 person, including members of the class proposed herein.

23 32. BATMANGHELICH was thereafter advised that telephone
24 conversations between Defendants and their consumers, including those telephone
25 conversations with BATMANGHELICH, are recorded.

26 33. BATMANGHELICH is a victim of the unfair business practices of
27 Defendants.

CLASS ACTION ALLEGATIONS

34. BATMANGHELICH brings this action on behalf of himself and all others similarly situated. This suit is properly maintainable as a class action pursuant to F.R.Civ. P. 23(a) and (b)(1), (b)(2) and/or (b)(3). Plaintiff seeks to represent a class (the "Class") composed of and defined as follows:

All persons in California, Florida, Maryland, Nevada, and New Hampshire (the "Covered States") who (1) placed one or more telephone calls to Sirius Satellite Radio between July 13, 2006 and November 17, 2009, spoke with a representative on behalf of Sirius Satellite Radio, and were not provided with notice that the call may be recorded or monitored; and/or (2) received one or more telephone calls from Sirius Satellite Radio between July 13, 2006 and February 1, 2010, spoke with a representative on behalf of Sirius Satellite Radio, and were not provided with notice that the call may be recorded or monitored; and/or (3) placed one or more telephone calls to XM Satellite Radio between January 25, 2009 and November 17, 2009 to discuss music royalty fees or cancelling their XM Satellite Radio subscription, spoke with a representative on behalf of XM Satellite Radio, and were not provided with notice that the call may be recorded or monitored.

35. Plaintiff reserves the right under Rule 3.765, *California Rules of Court*, to amend or modify the class description with greater specificity or further division into subclasses or limitation to particular issues.

36. This action has been brought and may properly be maintained as a class action under the provisions of F. R. Civ. P. 23 because there is a well-defined community of interest in the litigation and the proposed Class is easily ascertainable.

1 **A. Numerosity**

2 37. The potential members of the proposed Class as defined are so
3 numerous that joinder of all the members of the proposed Class is impracticable.
4 While the precise number of proposed Plaintiff Class members has not been
5 determined at this time, BATMANGHELICH is informed and believes that the
6 proposed class encompasses over one thousand members.

7 38. Plaintiff alleges Defendants' records will provide information as to the
8 number and location of all proposed Plaintiff Class members. Joinder of all
9 members of the proposed Class is not practicable.

10 **B. Commonality**

11 39. There are questions of law and fact common to the proposed Class that
12 predominate over any questions affecting only individual class members. These
13 common questions of law and fact include, without limitation:

- 14 a. Whether Defendants had a policy of wiretapping,
15 eavesdropping, upon and/or monitoring consumers' incoming
16 calls;
- 17 b. Whether Defendants implemented their policy of wiretapping,
18 eavesdropping upon and/or monitoring consumers' incoming
19 calls;
- 20 c. Whether Defendants' policy of wiretapping, eavesdropping upon
21 and/or monitoring consumers' incoming calls constituted a
22 violation of *California Penal Code* §§ 631(a), 632(a) and/or
23 637;
- 24 d. Whether Defendants disclosed to incoming callers that their
25 incoming telephone conversations were being wiretapped,
26 eavesdropped upon and/or monitored;
- 27 e. Whether Class members consented to Defendants' wiretapping,

1 eavesdropping upon and/or monitoring of such incoming calls;

2 f. Whether Defendants had a policy of wiretapping, eavesdropping
3 upon and/or monitoring California consumers' outgoing calls;

4 g. Whether Defendants implemented its policy of wiretapping,
5 eavesdropping upon and/or monitoring California consumers'
6 outgoing calls;

7 h. Whether Defendants' policy of wiretapping, eavesdropping upon
8 and/or monitoring California consumers' outgoing calls
9 constituted a violation of *California Penal Code* §§ 631(a),
10 632(a) and/or 637;

11 i. Whether Defendants disclosed to outgoing California callers that
12 their incoming telephone conversations were being wiretapped,
13 eavesdropped upon and/or monitored;

14 j. Whether Class members consented to wiretapping,
15 eavesdropping upon and/or monitoring of such outgoing calls;
16 and

17 k. Whether the named Plaintiff and the Class are entitled to recover
18 damages and the measure of such damages.

19 l. Whether the named Plaintiff and the Class are entitled to
20 injunctive relief pursuant to *Penal Code* § 632.7(b).

21 **C. Typicality**

22 40. The claims of the named Plaintiff are typical of the claims of the
23 proposed Class. Plaintiff and all members of the proposed Class sustained injuries
24 and damages arising out of and caused by Defendants' common course of conduct
25 in violation of laws, regulations that have the force and effect of law, and statutes as
26 alleged herein.

27 \\\

1 **D. Adequacy of Representation**

2 41. Plaintiff will fairly and adequately represent and protect the interests of
3 the members of the proposed Class. Counsel who represents Plaintiff is competent
4 and experienced in class action litigation.

5 **E. Superiority of Class Action**

6 42. A class action is superior to other available means for the fair and
7 efficient adjudication of this controversy. Individual joinder of all proposed
8 Plaintiff Class members is not practicable, and questions of law and fact common to
9 the proposed Class predominate over any questions affecting only individual
10 members of the proposed Class. Each member of the proposed Class has been
11 damaged and is entitled to recovery by reason of Defendants' illegal policies and/or
12 practices.

13 43. Class action treatment will allow those similarly situated persons to
14 litigate their claims in the manner that is most efficient and economical for the
15 parties and the judicial system. Plaintiff is unaware of any difficulties that are likely
16 to be encountered in the management of this action that would preclude its
17 maintenance as a class action.

18 **FOR A FIRST CAUSE OF ACTION**

19 **INVASION OF PRIVACY**

20 **(PLAINTIFF AND THE CLASS AGAINST ALL DEFENDANTS)**

21 44. Plaintiff incorporates paragraphs 1 through 43 of this Complaint as
22 though fully set forth herein.

23 45. Defendants, and each of them, installed and/or caused to be installed
24 certain wiretapping, eavesdropping and bugging equipment on their telephone lines.

25 46. Plaintiff is informed and believes, and based thereon alleges, that all
26 these devices were maintained and utilized to overhear, record or bug each and
27 every incoming and outgoing telephone conversation over said telephone lines.

1 47. The aforementioned wiretapping, bugging, and eavesdropping
2 equipment was used to record and/or listen to the telephone conversations of
3 BATMANGHELICH and members of the Class, all in violation of California Penal
4 Code §§ 631(a), 632(a), and 632.6(a), Florida Statute § 934.03 *et seq.*, Maryland
5 Courts and Judicial Procedure Code § 10-402 *et seq.*, Nevada Revised Statutes §
6 200.620 *et seq.*, and New Hampshire Revised Statutes § 570-A:2(I-a) *et seq.*

7 48. Plaintiff is informed and believes, and based thereon alleges, that each
8 of the aforesaid telephone communications, and the recordings thereof, were
9 disseminated by and between the Defendants, and each of them, all in violation of
10 *California Penal Code* § 637.

11 49. At no time that these telephone conversations were taking place
12 between Defendants and its employees, managers, officers and directors, on the one
13 hand, and BATMANGHELICH and the members of the Class, on the other hand,
14 did Defendants, or any of them, or any of their employees, managers, officers or
15 directors, or any other person, inform BATMANGHELICH or any members of the
16 Class that the interceptions, eavesdropping, wiretapping, bugging and recording of
17 their telephone conversations were taking place, and at no time did
18 BATMANGHELICH or any members of the Class consent to this activity.

19 50. Defendants, and each of them, knowing that it was unlawful and a
20 violation of BATMANGHELICH's and the Class members' right to privacy, and a
21 violation of *California Penal Code* §§ 630 *et seq.*, did intrude on
22 BATMANGHELICH's and the Class members' privacy by knowingly and/or
23 negligently and/or intentionally engaging in the aforementioned intercepting,
24 eavesdropping, wiretapping, bugging and recording activities in connection with
25 the telephone conversations between BATMANGHELICH and the Class members,
26 on the one hand, and employees, managers, officers and directors of defendant
27 SIRIUS, and all other defendants, on the other, all as aforementioned and alleged

1 herein above.

2 51. Based on the foregoing, BATMANGHELICH and members of the
3 Class are entitled to their statutory remedies and damages including but not limited
4 to those set forth in *California Penal Code* § 637.2, and injunctive relief pursuant to
5 *California Penal Code* § 637.2(b).

6 Wherefore, BATMANGHELICH and the Class he seeks to represent requests
7 relief as described below.

8 **FOR A SECOND CAUSE OF ACTION**

9 **NEGLIGENCE**

10 **(PLAINTIFF AND THE CLASS AGAINST ALL DEFENDANTS)**

11 52. Plaintiff incorporates paragraphs 1 through 51 of this Complaint as
12 though fully set forth herein.

13 53. Defendants, and each of them, had various statutory and common law
14 duties not to wiretap, eavesdrop upon, record and/or bug their telephone
15 conversations with BATMANGHELICH and Class members without first
16 disclosing to them that their telephone conversations were being recorded.

17 54. Defendants, and each of them, negligently and recklessly engaged in
18 the aforementioned eavesdropping, wiretapping, recording and bugging activities of
19 BATMANGHELICH and the members of the Class. This led to the statutory and
20 common law rights of privacy of BATMANGHELICH and Class members' being
21 invaded, violated, and breached.

22 55. The unlawful activities of Defendants, and each of them, as alleged in
23 this cause of action and in this complaint, were the cause in fact and proximate
24 cause of actual, statutorily-imposed and/or demonstrable damages to
25 BATMANGHELICH and the members of the Class. Such damages were
26 proximately caused by Defendants' eavesdropping, wiretapping, recording and
27 bugging of telephone conversations with BATMANGHELICH and Class members

1 without first notifying BATMANGHELICH and Class members that their telephone
2 conversations were being recorded.

3 56. Based on the foregoing, BATMANGHELICH and members of the
4 Class suffered damage as a result of the conduct of Defendants, and each of them.

5 Wherefore, BATMANGHELICH and the Class he seeks to represent requests
6 relief as described below.

7 **RELIEF REQUESTED**

8 WHEREFORE, Plaintiff prays for the following relief:

- 9 a. An order certifying this matter as a class action;
- 10 b. An order naming counsel herein as Class counsel;
- 11 c. Consequential damages or statutory damages pursuant to
12 California Penal Code § 637.2, Florida Statute § 934.10,
13 Maryland Courts and Judicial Procedure Code § 10-410(a),
14 Nevada Revised Statutes § 200.690(1)(b), and New Hampshire
15 Revised Statutes § 570-A:11.
- 16 d. Economic damages;
- 17 e. Non-economic damages;
- 18 f. Costs of suit incurred herein;
- 19 g. Any and all prejudgement interest permitted by law;
- 20 h. Such further relief, costs and damages the Court deems proper.
- 21 i. For injunctive relief pursuant to *California Penal Code* §
22 637.2(b), enjoining Defendants and their respective successors,
23 agents, servants, officers, directors, employees, and all persons
24 acting in concert with them, directly or indirectly, from engaging
25 in conduct violative of *Penal Code* § 630 *et. seq.*
